

**Thank you for feeding us!**

Ivy Realty is eager to help people in our local community.

With your help we can be a huge success in gathering items for our

# FOOD DRIVE

Many of us know that hard times are here so let's reach out and help people in our local community. We will be collecting canned food and non-perishable items and donating them to Lighthouse Missions, Inc.

Since Thanksgiving will be upon us the following items would be a great help.

Canned Corn/and or vegetables

Canned yams

Instant mashed potatoes

Stuffing

Rice

Macaroni 'n' Cheese

Canned cranberry sauce

Canned Gravy

Non-perishable desserts and Juice

So when you are out shopping for your meal, think of those that are in need this Thanksgiving Day! If every one gives one item just think of all the families we could help feed. Any questions please email me at [clinsalato@ivy-realty.com](mailto:clinsalato@ivy-realty.com)

**The final date of collection will be the day of our tenant luncheon Nov. 20<sup>th</sup> bring all items to 1393 Veterans Memorial Highway. There will be collection bins in the lobby.**
