Dear Friends:

We continue to give thanks for you!

We began the month of November looking into a near empty warehouse. Our pantry was the lowest it's ever been. You heard our desperate plea for food and you came to the rescue of the people we serve. Thank you! Words can't express how much we appreciate the Thanksgiving food you donated to Lighthouse Mission for our outreaches.

In a time when our entire country is hurting economically, it's easy for all of us to lose hope. But the compassion and generosity of people like you makes a huge difference, encouraging us all to serve one another in love. You helped us to bless more than 1,000 families in need with a special meal this holiday.

May the Lord richly bless you for remembering the poor this Thanksgiving and for giving from your heart. Thank you, again!

With a Grateful Heart,
