## March of Dimes Real Estate Award Breakfast FACT SHEET

- WHO:** The March of Dimes mission is to improve the health of babies by preventing birth defects, premature birth and infant mortality. The March of Dimes accomplishes this mission through programs of research, community services, education and advocacy.
- Research: New Jersey receives research grants to investigate the causes and treatments for birth defects, prematurity and low birth weight.
  - Community Service: Grants are awarded to NJ agencies to fund local programs to promote healthier pregnancies and prevent birth defects. Public Education: The March of Dimes has many public education programs that educate parents on the lifestyle changes necessary for the birth of healthier babies.
  - Professional Education: The March of Dimes has an annual conference for health care professionals to provide seminars on various topics that will improve the health of babies and prevent birth defects.
- WHEN:** Wednesday, November 7<sup>th</sup>, 2007, 8:00 – 10:00 am
- WHERE:** Mayfair Farms, 481 Eagle Rock Avenue, West Orange, NJ 07052
- WHAT:** The Real Estate Award Breakfast is a testimonial which brings together approximately 200 members of the New Jersey real estate industry for a morning of networking and industry-related presentations. The breakfast also provides a forum for the March of Dimes to raise awareness about its mission and to honor a leader within the real estate development industry for his/her contribution to maternal and infant health.
